Klinik Gut in St. Moritz – Groundbreaking ceremony

Date
01.04.2022

With the ceremonial groundbreaking on 1 April 2022, the construction of the Klinik Gut in St. Moritz will begin. By late autumn 2023, ingenhoven associates will realise a modern clinic for the musculoskeletal system on the spa site at the Kurpark. Specialists and therapists for all joints, a 24-hour emergency ward, a day clinic for outpatient procedures, two operating theatres, state-of-the-art imaging with MRI, CT and digital X-ray, a ward for 24 patients, an operations base for the Oberengadin rescue service, a helipad and a public restaurant will be ready for locals and guests from winter 2023/2024.
