**Lanserhof, Lake Tegern**

The Lanserhof is on the shortlist for this year's International Hotel & Property Award in the category "Hotel under 200 rooms". Its exceptional architecture and health resort concept are honoured with a steady stream of awards: The Lanserhof Lake Tegern has won nearly 20 national and international awards since its opening in January 2014. The hotel is 80 by 80 meters in size and follows a classic floor plan of a courtyard building layout with a patio and the basic intention of a cloister.
