## Topping-out ceremony for Freiburg's Family Town Hall

Date  
21.07.2025

Just one year after ground was broken, RiS B (Rathaus im Stühlinger B) reaches its next milestone. The new sibling of Freiburg's widely acclaimed RiS A rises with quiet assurance and ambitious purpose: to surpass an already exemplary model of sustainable municipal architecture.

Integrated into a broader urban ensemble, RiS B is more than a new administrative address – it is a communal anchor. A place where families can access services, guidance and support.

The building is scheduled to open its doors to the public in 2027. &gt;&gt; more about the project
